Dear Friends:

This revised edition of the Parish Directory is being mailed to every family in the parish. Additional copies may be procured from the Registrar. Kindly notify me promptly of any changes. By your co-operation, I hope to keep the parish lists accurate.

The Communicant List should include all confirmed persons who make Grace Church their spiritual home. Those who have not been formally transferred to this parish are indicated by an asterisk. I shall be glad to enroll them as regular communicants of Grace Church upon presentation of their letters of transfer.

I have been tempted to drop from this list the names of some who have lapsed. But I am reminded of our Lord's parable of the wheat and tares. "The servants said unto Him, Wilt Thou then that we go and gather them up? But He said, Nay; lest while ye gather up the tares, ye root up also the wheat with them."

The publication of a Communicant List must always be a reminder of the sacred obligations and privileges of membership in the Church of God.

The year 1923 was one of growth in numbers—our Communicant List has grown from 471 to 526. I trust our growth in grace has been no less marked.

With best wishes for the coming year, I am, very faithfully,

Your Rector,
THOMAS S. CLINE.

New Year's Day, 1924.

No amount of money would compensate some of you for the anxiety and difficulties you had in securing coal last winter.

We did our part then, we advise you to do your part now by putting in your coal during the summer months. You will not only help yourself but you will be assisting those who are compelled to put their coal in during the winter.
